Update on new international opportunities

Danièle Rod

Access and collaboration opportunities

- New collaboration agreements with Antarctica New Zealand (online seminar to follow) and upcoming with ICIMOD (Hindu Kush Himalaya)
- Access to CCGS Amundsen (2027 and 2028) – beyond CASCADES
- Partnership agreement with Tara Polar Station
- Grants for access to the Forel sailing platform
- And all SPI grants...

Upcoming international initiatives

- Antarctica InSync (2027-2030) – informal (and open) working groups active to exchange and update – contact SPI to join
- International Polar Year 2032-33 – liaise with your IASC and SCAR representatives

We are there to support you. Let us know if you need institutional support for science
